***Is Your New Year's Resolution to
lower your scores and handicap?***

AIMPOINT is the most effective and scientifically accurate method to read any putt on any green at any course in the world. It's a simple and quick method that will help instantly cut strokes off your golf game from being more accurate in the most important aspect of the game. We will help you understand :

SLOPE + ANGLE + DISTANCE = BREAK

Instructed by Michael Dickson, Head PGA Teaching Professional at Congressional Country Club. Michael is AIMPOINT certified and an Edel Putter/Wedge Fitter. He is also a Lynn Blake Golf certified instructor and TPI certified golf fitness instructor.
