

# SOUTH FLORIDA PGA PLAYER POINT SYSTEM

1. All points earned for qualifying will be awarded at the time of the qualifier, even if the championship proper is in the following year.
2. This point system is used to determine the Section Players of the Year (selected December 1), the members of the South Florida PGA Challenge Cup team and Senior Challenge Cup team (selected September 1), and various other playing opportunities including, but not limited to, corporate golf outings. The twelve members of the previous year's Challenge Cup team will receive priority invitations to corporate golf outings followed immediately by those on the previous year's player point list in order of finish.
3. Regular division points earned by seniors are not transferable to the senior point competition.
4. Exempt Players will receive local qualifying points for point eligible events in which their exemption was based on a specific playing performance. Alternates gaining entry into a qualifying event will not be issued qualifying points.
5. Exemptions will only be issued to PGA Members (No amateurs or apprentices) and will be allocated as follows: **HONDA CLASSIC** – (Section Player of the Year); **PUERTO RICO OPEN** – (South Florida PGA Section Champion); **MICCOSUKEE CHAMPIONSHIP** – (1. TBD, 2. Current year champion of the South Florida PGA Open, 3. Current year champion of the Fort Lauderdale Open). **ALLIANZ** – (Senior Player of the Year); **ACE GROUP** – (Senior Section Champion). If the PGA member was already exempt into the Miccosukee Championship or declines the exemption, then the spot would go to the next highest finishing PGA member in that respective competition. If there is a tie at that point, the standard section policy for breaking ties into the Miccosukee Championship would be utilized (see item #6). If a PGA Tour or Nationwide Tour event moved to the South Florida Section as a non regularly scheduled event then; for the PGA Tour Event – the spot will be awarded via a Section conducted member qualifying competition. For a Nationwide Tour Event – spot #1 would be awarded to the reigning champion of the South Florida PGA Section Championship, spots #2 & #3 will be awarded via a Section conducted member qualifying competition.
6. The policy for year-end ties in point race requiring separation for the Honda Classic and/or the Miccosukee exemption(s) will use the following tiebreaking system: 1) Performance in the Section Championship; 2) Performance in the South Florida PGA Open; 3) Performance in the Fort Lauderdale Open. Failure to participate in any of these championships could eliminate a player in the tie breaking process.
7. Should the awarded recipient of a PGA Tour (Honda or Puerto Rico) exemption decline said exemption, the Section will conduct a member only qualifier to determine whom the exemption will be awarded.
8. A-3's and Apprentices are not eligible to earn points.
9. All points will be awarded based on actual order of finish regardless of field makeup. Participants that are not eligible to receive points (i.e. Apprentices, Amateurs, etc.) **WILL** affect the order of finish and corresponding point allocation. **\*The point distribution for the South Florida Senior Open and Florida State Senior Open will be based on the order of finish amongst SFPGA members, not the order of finish in the overall championships.**

## South Florida PGA Player of the Year Possible Points
